

full-service case management and resolution

We offer robust fraud restoration and resolution, and even ensure resolution coverage for preexisting fraud. Once a restoration case is opened, our highly trained and certified specialists are available 24/7 to help restore compromised identities and handle the most time-intensive elements of identity restoration. Here's how it works:

Research

A dedicated Restoration Specialist works closely with you. Details and documents pertaining to the case are collected in a fraud packet. The Restoration Specialist gives guidance and assistance on the initial steps required.

Resolve

The Restoration Specialist works on your behalf to resolve the fraud with third parties. If needed, your specialist will submit all required evidence to your legal representation or other investigators and help mediate any claims.

Restore

Post-resolution, your specialist works to ensure there is no lasting damage. Whether the fraud has a financial, medical, or credit impact — we won't stop until things are made right. And with up to \$25K in identity fraud expense reimbursement,[†] you won't have to worry about related out-of-pocket costs.
